

BUS industry **SAFETY** council

Sponsored by the **American Bus Association**

TO: MEMBERS, BUS INDUSTRY SAFETY COUNCIL
FROM: LORRIANE CARD, CHAIR
DATE: MAY 9, 2008
RE: BISC REGISTRATION FOR SUMMER 2008 MEETING

In preparation for our Summer Safety Council Meeting, to be held at the National Transportation Safety Board (NTSB) Training Facility in Ashburn, VA BISC registration materials are included for your review. Please note that our Safety Council meetings will be held at the beginning on Monday, July 14 at 12:30 p.m., and concluding on Tuesday, July 15 at 5:00 p.m.

For hotel arrangements, ABA has reserved rooms at the Hyatt Place Hotel. This year individuals will be making their own reservations. The reservation line for the hotel is (703) 444-3909. *Reference the American Bus Association when making your reservation to ensure that you get the rate of \$143.00* . We have a limited number of rooms there so make your reservation **NOW**, and no later than **June 27, 2008**. Transportation will be provided for those staying at the Hyatt Place to the Training Center. The hotel also provides a shuttle both to and from the airport.

If the room block that we have reserved at the Hyatt Place fills up, please visit <http://www.nts.gov/tc/rental/hotels.htm> for a list of hotels recommended by the NTSB Training Facility. You will see that there are selected hotels that provide transportation to the NTSB facility.

If you have any questions about the Safety Council Meeting, please call Bethany Field, ABA's Legislative Assistant at (202) 218-7224.
