FOR YOUR SAFETY, PLEASE FOLLOW INSTRUCTIONS GIVEN BY THE MOTORCOACH DRIVER AND STUDY THE CONTENTS OF THIS CARD.

Please stay seated while the bus is in motion, keeping hands and feet out of the aisle. **Stay behind the white line** at the front of the bus.

Do not talk to the driver while in motion unless necessary. Safe operation of this vehicle requires the driver's full attention.

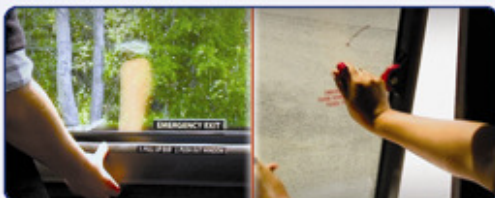

If you must stand while the bus is in motion, use **the seatbacks, hand-grips and overhead supports** to prevent falling.

This motorcoach has numerous emergency exits. **Roof vents over the aisle** may be **used for exit** by pulling the handle, and **pushing the roof latch up**.

Windows may be used in emergencies by either **lifting the latch bar** or **pulling the red latch downward** to release the window, depending on the model.

A **fire extinguisher** is either **behind the driver's seat** or **underneath the right-front-side passenger seats**.

When entering and exiting the bus, **use the hand rails** and **allow the driver to assist you** if necessary.
