The Women in Buses Council has evolved so much since its inception in 2011. Our Council promises opportunities for education, networking, mentoring and lifelong friendships. We have had smart and driven women leaders serve as chair of Women in Buses. The leadership of past chairs Cam Morris, Mary Young, Kim Grzywacz and Elizabeth Hall served as inspiration for what the team needs to do. Great leaders motivate and inspire people with the why they’re doing it. That's purpose. And great leaders organize and align people around what the team needs to do. Great leaders have the opportunity to reach for the future and to lead throughout the year and not just at WIB Day or ABA.
