2024

The One-Page Ten-Minute Life Planner

Start your year off right.

Your Bucket List
Things you said you really want to do, but haven’t . . . yet.

1. To the left list things you’ve always wanted to do, places you’ve always wanted to go, or projects you’ve put off but want to start.

2. Next, look at the calendar to the right and choose a month to start one or two items on your bucket list and write them in.

3. For a bonus action write down a number you reached in 2023 and want to beat in 2024. (Income, weight, sales, savings . . . )
