CONTINUING EDUCATION, CONTINUING EXCELLENCE

With the press of one button you access the education, training and skills you need for professional and business excellence. As the first and longest-running industry university-sponsored certification program, ABA’s Certified Travel Industry Specialist program allows you to update your professional profile anytime, anywhere!
Certification is a mark of excellence that you carry with you everywhere you go. The American Bus Association (ABA) created the Certified Travel Industry Specialist (CTIS) Program to provide an opportunity for members of our industry to gain practical business and industry-specific knowledge to build a strong business reputation for the industry. These continuing education programs were created exclusively for the motorcoach and group travel industry and extend the benefits of professional education past our industry shows and into your business.

ABA believes in the value of professional certification and the creation of programs that are industry-specific, relevant, and flexible. To this end, ABA has partnered with Indiana University-Purdue University Indianapolis (IUPUI). The CTIS correspondence courses are administered by IUPUI's highly acclaimed professional staff. These rigorous, demanding but essential courses, designed exclusively for the motorcoach and group tour industry, introduce you to new concepts in the industry and expand your professional and personal skills.

Complete the enrollment form available on our web page, www.buses.org/ctis or in this packet, and return it to ABA with your enrollment fee. After ABA receives your enrollment, you will receive a welcome email from ABA and a welcome packet from Indiana University-Purdue University Indianapolis (IUPUI) that will include the IUPUI course enrollment form. Each enrollee will also be matched with a mentor who will offer advice, encouragement, and share any tips and pointers for the successful completion of the CTIS Program.
