The American Bus Association membership benefit that pays.

No one knows how beneficial ABA membership is to the motorcoach and group travel industry better than ABA members.

Consider sharing your ABA membership experience and get rewarded for doing so. Through the Member-Get-a-Member (MGAM) program, ABA rewards your efforts in recruiting new members.

How does it work?

1. Forward an application or direct them to www.buses.org/join to download an application.
2. Ask your friend to enter your name in the referral space on their application.
3. Tell another friend...and another...and another...to earn rewards. There is no limit to the amount of rewards you can earn.

New members are defined as those companies who have not held a valid ABA membership in the past 18 months.
