Speaker: Lynn Sansone**

Lynn Sansone has grown up in the passenger transportation industry. Having worked her way up through their family owned passenger transportation business to CEO, she has the knowledge and experience needed for this specialized industry. Lynn recently stated, "I was honored to be asked to join Mark's "orchestra" and play a part within this amazing "concert" of talented professionals. I truly enjoy assisting individuals within the industry faced with similar experiences and challenges and find solutions needed for success". Lynn specializes in driver recruitment/retention, safety and compliance, policy and procedures, grant writing and RFPs.
