MARKETPLACE PREP
PRESCHEDULED APPOINTMENTS

More than 140,000 appointment requests slots are scheduled for the Marketplace 2020 week. Beginning on Sept. 25, all Appointment Takers have the opportunity to request appointments with the organizations they most want to meet with during Marketplace.

ABA gives you the flexibility of requesting your appointments on our website, www.buses.org/marketplace, allowing you to change and update your requests up until the minute they are scheduled. Requests not received by December 16 will not be included in the appointment scheduling process.

Tips On Requesting On-Line Appointments For Marketplace

• Start with the materials ABA will send you electronically. The Appointment Request Mailing will contain important information on how to research and request your appointments.
• Your Marketplace Passport contains the Motorcoach and Tour Operator Database and Travel Database. Both can be used as a search engine to find up-to-date information on registered companies. You may then select these companies for an appointment and submit your requests on-line using the appointment request software.
• ABA will show you which companies have requested your organization and will allow you to review and change your requests so you can have more mutually requested appointments.

Understand The ABA Scheduling Process

• Appointment codes are assigned to you on the day you register, and appointments are prioritized and scheduled in order of your appointment code. Appointments are not prioritized based on the date your appointment requests are returned.
• Keep a copy of your requests for your records.
• ABA’s appointment scheduling program schedules nearly 95% of mutually requested appointments (meaning both the Buyer and Seller requested to meet with each other), and 90% of the Buyer requested appointments. Requesting the maximum appointments allowed increases your chances of getting those mutual requests.
• ABA’s goal in scheduling appointments in this manner is to provide you with the very best quality appointments possible.
Appointment Requests By The Numbers
Different member categories are scheduled for appointments during the same sessions, but appointment requests are made separately to ensure an even distribution of appointments among DMOs, Hoteliers, Attractions, Receptives, Charter Operators, Allied Associations and Associates registered as appointment-taking Seller delegates. ABA allows delegates to submit more requests (75) than the (54) prescheduled slots to increase their potential for matches.

Sellers: Search The Member Profiles On ABA’s Website
• Profile forms for all companies attending Marketplace are available on-line through your Marketplace Passport. Using the interactive Motorcoach and Tour Operator database will help you determine which companies meet your criteria; these will be the profiles you want to research.
• In using the database, popular searches are by: Tour Destinations, Intermodal Programs, Marketing Activities, Operator Size, Customer Base, and Facilities Used.
• Remember when searching the profile database, the more criteria you select, the smaller the results of your search will be.
• You may want to start with your ideal group. Choose your city as a top destination, the type of market you would prefer to cater to, or search for operators who use your type of facility in their tours. Your search may result in only a few companies, but these will be your top priority prospects when requesting your appointments.
• Keep in mind that the data is only as good as the information supplied by the operators when completing their ABA membership profile form. Some information may be incomplete. If your first, most specific searches result with nothing, keep trying by broadening your search criteria.
Your Goal Should Be To Find The “Value Proposition” Or “Sales Message” For The Operator

• Remember the 80/20 rule: 80% of your visitors come from 20% of your feeder areas.
• Go after a targeted group of prospects based on your search findings. The number of appointments you schedule is not your primary objective. It is better to have 2 great opportunities than 20 okay prospects.
• Finally, look up the website of specific companies that you are interested in to get more information on their current tour product.

Buyers: Search The Member Profiles On ABA’s Website

• Profile forms for all companies attending Marketplace are available on-line through your Marketplace Passport. Using the interactive Seller database will help you determine which companies meet your criteria; these will be the profiles you want to research.
• In using the database, popular searches are by: Tour Destinations, Amenities.
• Remember when searching the profile database, the more criteria you select, the smaller the results of your search will be.
• You may want to start with your ideal group. Choose your city as a top destination, the type of service/property. Your search may result in only a few companies, but these will be your top priority prospects when requesting your appointments.
• Keep in mind that the data is only as good as the information supplied by the travel industry members when completing their ABA membership profile form. Some information may be incomplete. If your first, most specific searches result with nothing, keep trying by broadening your search criteria.
PLANNING YOUR MARKETPLACE WEEK

Develop Your Week’s Schedule
• Block out the days you have appointments.
• If you are a first-time delegate, make sure you go through the Orientation process.
• Mark the times for the breakfasts, luncheons, dinners and hospitality events that you will attend.
• Select the education seminars that you would like to attend and pencil them into your itinerary.
• Attend a sightseeing tour on Saturday.
• Block out time to do research in the Resource Central on the companies who you will be meeting with during your appointments.
• Target those companies you would like to meet with and attempt to schedule an appointment with them. If you do not have a mutual appointment time available to meet, try to schedule a meeting outside the Marketplace floor.
• Make reservations for the dine-around.
• Schedule some time to volunteer for ABA to meet new friends and get better acquainted with Marketplace.
• Follow ABA on Facebook and Twitter to get the latest updates. Use #ABAOmaha and #OMGomaha

Tips for Surviving Marketplace Week
• Remember you can’t be everywhere at one time. It is OK to schedule some down time for yourself to regroup and relax.
• On your appointment day you may find you have extra nervous energy. Wear a suit with pockets to carry a granola bar or other snack items to munch on during your breaks. Food and drinks are also available on the Marketplace Networking Floor.
• Be sure to get enough sleep prior to your appointment session.
• Wear comfortable shoes. Your professional image is a must to uphold, but that doesn’t mean your feet have to pay for it.
• Socializing and meeting new contacts is a large piece of the power of Marketplace. Many valuable contacts are made outside of the business floor at the social functions and events.
• Balancing your schedule to allow you enough time to network, and get enough rest will be your biggest challenge during the week.
