FMCSA Military Driver Programs

Make it easier, quicker, and less expensive for qualified military drivers to enter civilian CMV driving careers

- Increase pool of experienced, responsible CMV drivers, in alignment with FMCSA safety mission & benefitting CMV industry that helps drive our economy
- Leverage our Nation's investment in military driver training
- Support veterans and military personnel in career transition

Military Skills Test Waiver

- Available to drivers with 2 years experience safely operating heavy military vehicles
- Waiver from taking the road test (skills test) for CDL
- Available in every state
- More than 28,000 waivers to date

Even Exchange Program

- Allows qualified military drivers to be exempt from knowledge test for a CDL
- When used with Military Skills Test Waiver, a driver can exchange a military license for a CDL
- Because program is recent, not all states yet participate

- Illinois was the first State to implement.
Other States offering Even Exchange:
WI / NC / VT / VA / ND / KS
