

WINTER HISPANIC MOTORCOACH COUNCIL MEETING

JANUARY 14, 2017 | CLEVELAND, OH
at ABA's Annual Meeting & Marketplace
9 - 11 a.m.

MISSION

The Hispanic Motorcoach Council (HMC) aims to promote the continued growth, fellowship and development of the Hispanic business community in the motorcoach industry. HMC serves as a resource center and forum to promote safe motorcoach operations, encourage interaction among operators and transportation planners, and advocates for Hispanic and minority-owned businesses.

HMC offers support through networking opportunities and information related to regulatory compliance, security issues, safety risks, legislative oversight, and government processes. Our goal is to make sure that each and every one of our members is kept abreast of developments within the industry, and that we deliver the tools that allow members to implement short-term actions and establish long-term strategies and successes. In short, we are here to help you build your business!

Membership in the HMC is NOT required for participation in this meeting. All are welcome.

HMC will meet at ABA's Annual Meeting & Marketplace to give ABA members an introduction to the council's work, opportunities to network with HMC operator and associate members, a sample of the educational sessions offered at our regional meetings, and an opportunity to take part in discussions to help the council chart a path for the year ahead. Join us to find out how you can get involved!
